Help the Hungry—One Meal at a Time

FOR I WAS HUNGRY AND YOU GAVE ME SOMETHING TO EAT.....

Have you ever experienced true hunger—not being hungry, but going days without eating?

Would it bother you to hear that there are families right here in Bartholomew County who go days without eating?

Did you know that:

\$5 can provide a meal for a family of four?

\$20 can feed a family of four for two full days?

\$75 can feed a family of four for a week?

\$300 can feed a family of four for a month?

The COVID-19 virus has been a physically destructive agent, causing illness, and sometimes death. But just as assuredly, this virus has been financially destructive as well. Today in Bartholomew County, there are individuals who have nothing to eat, and no way to get food. People with no safety net, no food, and no money.

Love Chapel serves these families through monthly pantry visits, weekly Cares packs, Mobile Pantries, Daily Hot Meals, and meals for the Homeless. The demand is soaring and we are seeing many new families who have no where else to turn. Many families who will go unfed without your help.

Would you consider a gift to Help Feed the Hungry—we need your help to continue this vital mission. The need is growing and we will see record numbers of hungry families over the next year. Please click on the Donate Button on our website and select “Help the Hungry.” Your gift is tax deductible and will be used to provide food resources to the many who are struggling in our community.

Mother Teresa once said: “If you can’t feed a hundred people, then just feed one.” You can make the difference for someone today.

Send checks to LOVE CHAPEL, 311 Center Street, Columbus, IN 47201
